Working Outside of Class

Please be aware of the following, teachers expect students to work outside of class. Whether this be rehearsing what is learnt in class so it is well recalled, or practising corrections that were given in class. This means that the absolute most is achieved during class and exam intensives, where time is at a premium.

For all students we are using the online tool Band. This is used to record combos and dances in class, and then uploaded to the secure hub to practise with. Invites were emailed out a few weeks ago, please make sure you have joined.

Private Lessons

Please check out our private lesson and studio hire options [here](#) if you wish to have extra practice via a private lesson or studio hire to practice – per ½ hr \$30.00 for private lesson and \$10.00 per 1/2hr for studio hire. Payable on the day of lesson in cash or via online banking.

Please do not rely on private lessons to get your student through an exam, as studio space and teacher time is at a premium.

Uniforms

Our uniform is compulsory for all students and is to be worn each week in class. Please refer to the website for the new uniform guidelines.

Remember – No watches, or nail polish to be worn in class and hair should be tidy and tied back off the face. Your uniform must be in top condition for your exam ie. no holes, no fading, shoes polished. If your items are deemed to not be of standard, you may be asked by your teacher to purchase or borrow something in better condition.

Music

We will be sharing our music online. We will be emailing out a link to the music with instructions. This service is covered in the admin fee. We also have Spotify playlists set up for Jazz levels (these will be updated in time). Just search LDA Jazz (insert grade).

Week of NZAMD Exams

Once NZAMD have confirmed our timetable, we will announce an amended timetable for the week to cater for clashes with exams.

As well as this please pencil in Saturday 25th and Sunday 26th May for extra lessons before the exams. These will depend on the exam timetable and how many days between the dancers last class and their exam day.

We understand exams are a big undertaking, but we believe they are a very beneficial part of dance, they give students a goal to strive towards and a reward that they can achieve.

Happy Practising
