

Dress Rehearsal Timetable 2023

021 234 3930 | www.limelightdanceacademy.co.nz/news
admin@limelightdanceacademy.co.nz

Where: Rototuna High School - Kimbrae Drive Hamilton 3281

When: Sunday 29th October 2023

Time: See schedule below for arrival time. We aim to work through dances as quickly as possible but please be patient with us. LDA & That's a Wrap will let you know when you are able to leave.

What to wear: Regular class uniform including shoes and appropriate hair style (classical bun for ballet, tidy ponytail or braids for other dance styles).

When you arrive, students will find their class area and get dressed into costume. They will then flow through to have the costume checked, dance, and will meet the Mother Helps on the other side, where they can get changed and we will aim to discuss backstage procedures.

We aim to have your student finished within 45 minutes of their arrival time (or their final dance's arrival time). We will not be rehearsing items in the order of the show so please do not be alarmed by any quick changes.

Please make sure students have snacks and water with them if they are staying for multiple items. Please no eating or drinking while in costumes, except water. Please NO NUT products as we have a couple students who are allergic.

Mini Movement and Beginner Ballet must have one female parent/caregiver per child to be present for the whole time allocation and we ask that we limit additional siblings where possible. You are more than welcome to buddy up with another parent in your class if you cannot be there.

For all other classes you may stay or drop off your dancer but we ask to limit additional siblings. Please note LDA is not responsible for your children or their belongings while they are dancing and/or waiting around the school.

Thank you for your support and help making our wonderful production happen.
