NZAMD Exam Information 2023

Well done everyone, you have come so far in working towards the forthcoming exams. There are only a couple more weeks of hard work and extra lessons to go!

Our examiner is Miss Cadwick-Cook.

There is a booking sheet up at the studio, to book in time for someone to do your hair – there is not space for everyone so first in, first served. If you are able to do your own hair, please do.

Please find below some extra information for exam days. If you have any questions, please get in touch before your exam day.

Added Exam Intensives:

Please see the NZAMD exam week timetable for details on the additional lessons prior to the exam week.
